Minutes of the Oppenheim Town Board special meeting to discuss a building project on February 5, 2026 held at the Oppenheim Town Hall located at 110 State Highway 331, St. Johnsville. NY 13452

Present

Neil Clark	--	Supervisor
Kathleen Montana	--	Councilwoman
Richard Rumrill	--	Councilman
Brian Miller	--	Councilman
Robert Norris	--	Councilman
Gloria Brys	--	Town Clerk

Supervisor Neil Clark called the meeting to order at 5:00 pm with the Pledge to the Flag.

Supervisor Clark said that we are here to discuss the possibility of getting a new town hall. He said we had plans done once and everything we had on the plans we didn't really need and it was too expensive. Then later we had another set of plans which the building was smaller but at that time prices and construction had gone up so it would cost as much to build the smaller building.

The board members reviewed the old plans

It was mentioned that maybe we could acquire a building and have it made over into a town hall. One suggestion was maybe the Senior Citizen Center.

After a discussion it was decided to look into the possibility of trying to find a place that we could maybe turn into a town hall. This way they figure it will be a lot cheaper.

With no further business on a motion by Kathleen Montana and seconded by Robert Norris the meeting was adjourned at 6:10 p.m.

Respectfully submitted,
Gloria J. Brys
